

HEAVY FROST HURTS CPOPS

Middle West of United States Suffers Great Damage.

LOSS AMOUNTS TO \$30,000,000

Fruit and Vegetables Have Been Destroyed and the Out Crops are Threatened.

Chicago, April 25.—In the most disastrous and far-reaching frost experienced in a generation, damage to building crops and fruits and vegetables amounting to more than thirty million dollars has been wrought in the middle west. The Michigan fruit belt, the backbone of the fruit belt, is destroyed. The temperature in Illinois and Iowa not only has killed the buds, flowers and fruits, but threatens to ruin the oats. The forecast of snow storms, continued cold and northwest winds indicates further extensive damage.

Cold in Southern State.

St. Louis, April 25.—Not since record of the temperature have been in this city has the thermometer registered so low during the latter part of April as it did on Saturday when the mercury dropped to 28 degrees below zero. The unusually cold spell was accompanied by a fall of snow, covering the ground to the depth of half an inch. Up until yesterday the weather was mild and bright and vegetation was appearing quite green. The growth has been practically ruined by yesterday's cold snap and the loss to farmers and truck gardeners will be a heavy one.

C.N.R. TO BOOM BRANDON

Representatives of the Railway Said to be Buying Warehouse Property.

Brandon, Man., April 25.—The C.N.R. has practically completed arrangements for the purchase of property here to the value of a quarter of a million.

R. G. Archibald, civil engineer for the company, and Messrs. Almon and Allan, solicitors for the company, have been here for some days past. A survey has been taken from Park avenue east and west of the point where it is crossed by the C.N.R. and a prominent official of the company who was in the city today says that the object is the location of warehouse sites.

He further states that an appropriation of \$250,000 has been set aside for the purchase of trackage in Brandon, and that the options already obtained will swallow the whole of that sum. It is the intention of the company to prosecute a campaign to induce manufacturing firms to locate here, hence their activities in selecting suitable sites for trackage.

The C.N.R. officials refuse to substantiate the belief that the G.T.P. will join them in Brandon, but they say that the operations of the C.N.R. in and around Brandon during this year will astonish the city.

DESCENDANT OF DAWSON

Deputation Asks Dominion Government to Provide a Pension.

Ottawa, April 25.—A deputation, headed by Sir MacKenzie Bowell and Senator Edwards, waited upon Sir Laurier yesterday, and asked that a pension be provided, or an annuity purchased for Mrs. W. H. Fuller, an aged lady, the only living descendant of the late Simon Dawson, who established the Dawson route, and upon whose reports largely the policy of opening up the northwest was decided upon. The Premier promised that the matter would be considered.

Bad Storm in East

Calumet, Mich., April 25.—A heavy blizzard, a fifty miles an hour wind from the north reached its climax here about midnight Friday. The storm area extended from Duluth to the St. Joe. Only a few boats were out. Snow was very heavy here.

WILL CLIMB MT. MCKINLEY

Newspaper Sends out Another Expedition to Investigate Work of Others.

Portland, Ore., April 25.—An expedition promoted jointly by a newspaper of this city and another of New York city left Portland today to scale Mount McKinley in Alaska. The party will embark for Alaska on the revenue cutter Tacoma from Seattle on Wednesday. The expedition is for the purpose of determining whether the mountain has been scaled, as it is claimed, by Dr. Cook and the Lloyd party. It will consist of four men, C. E. Risk, one of the most experienced mountaineers in the west, and A. L. Cook, Chelan, Wash.; Joseph Riley, Denning, Wash., and Frank Rodger, Portland.

MOTOR CAR ROLLED INTO THE DITCH

W. N. Mann was Crushed Under it and his Injuries may Prove Fatal.

Brandon, April 25.—W. N. Mann, accountant of the Empire Brewing Co., was probably fatally injured in an auto accident four miles west of Brandon last evening. A party of six men was returning from a tennis ride to the electric light company's dam. Coming along the high grade with three in each seat the auto slipped over, embarking one of the occupants, who grabbed the steering wheel to save himself and in doing so threw the car off the road. It upset and rolled into the ditch. All escaped injury except Mann, who fell under the car and was terribly crushed.

Homesteader Found Dead.

Winnipeg, April 25.—Geo. Grange, a homesteader near Winnipegosis, was found dead in his shack yesterday. He was subject to fits and it is thought he died while in one of them.

Passengers in Aeroplane.

Charleville, France, April 25.—Roger Sauter, a French aviator, has established a new world's record for aeroplanes. He made a flight of five minutes across country with four passengers.

TWO THOUSAND MADE HOMELESS

Fire Swept Over Louisiana Town and Destroyed \$2,000,000 Worth of Properties.

Lake Charles, La., April 25.—Fanned by a high wind, a fire which started here Sunday afternoon swept over more than twenty blocks of the city, destroying hundreds of buildings and resulting in a property loss estimated at more than \$2,000,000. More than 2,000 persons were made homeless. The mayor called out the local militia company to preserve order.

When it became apparent the local fire department could not cope with the blaze, requests for aid were wired to Houston and Orange, Texas, and to Jennings, La., all of which are within a radius of fifty miles of Lake Charles. The Southern Pacific railway offered special trains to bring the volunteers from neighboring cities. Many houses in the path of the flames were dynamited, but showers of sparks were swept beyond the gaps thus made, lighting the buildings on the farther side. Within a short time the wind had driven the fire over a space two miles in length, leaving a mass of ruins in its wake.

More Money for Library

Port Arthur, April 25.—Andrew Carnegie has increased his offer of a library for the Port Arthur Carnegie Library from \$30,000 to \$50,000. The construction of the building will be finished this season.

BIG FIRES ON HUDSON BAY PROPERTY, FIREMEN WERE KEPT BUSY ALL SUNDAY

Zephyr Dairy, at the North-West End of the City, was Completely Destroyed in the Morning—Were Bush Fires Caused by Firebugs or Carelessness?—Hard Fight Against Fires at the Fort and Clover Bar—How an Edmonton Week-End Party's Pleasure was Spoiled.

The fire fiend has been holding high carnival all over the province for the last two days, and in the course of its ravages has not forgotten to visit Edmonton. From the time that the first alarm of fire came in during the fire small hours of Sunday morning, until after dark last evening, the fire department has had little or no rest.

The most serious fire was early yesterday morning, when the entire plant of the Zephyr Dairy, at the corner of Fourth street and Spadina avenue, owned by Frank A. Lepard, was destroyed at a total loss of about \$200,000. Fortunately all the stock and the residence of Mr. Lepard was saved.

The fire was first seen by Mr. Lepard about two o'clock Sunday morning. There is no alarm box in the vicinity and the telephone system has not been extended out as far as Spadina avenue, so it took him several minutes to reach the nearest telephone and send in the alarm. The chemical engine was immediately dispatched from No. 2 station, and when they got there, all the energies of the firemen were devoted to saving the house. The fire, it appears, started in the wash house, where there was a boiler used in heating the water to wash the milk bottles. From here the fire spread to the wagon shed and the barn. The latter building was already burning when the cattle were driven out. Between the boiler house and the residence the coal shed was situated, and in order to prevent the flames spreading in that direction, it was necessary to demolish the coal shed. Even then the coal became ignited, and the firemen had to get busy with shovels before the danger was over.

The loss to Mr. Lepard is a heavy one, as there was only \$375 insurance. On Hudson's Bay Property.

The next series of fires were all on the Hudson's Bay Company's reserve, and were all bush fires. They are the most serious fires of this nature that the department has had to contend with for several years. Several blocks were burned over, and more than a score of shacks were in danger of being destroyed several times during the day. The worst aspect of these bush fires is the fact that they all appear to have been deliberately started by some person or persons.

"There is no doubt at all but that somebody has been setting fire to the bush around here," said Chief Davidson to a Capital reporter yesterday afternoon, as he was driving over the burned district. "It is positively criminal, and some steps should be taken."

NEW FOREST RESERVE

Large District has Been Set Aside in Southern Alberta.

Ottawa, April 25.—An order in council has been passed setting aside certain lands surrounding the Kootenay Lakes in Southern Alberta as a forest reserve under the name of the Kootenay Lakes Forest Reserve and the regulations provide for protection of fish and game therein. There is also a provision that no intoxicating liquor shall be sold within the reserve.

Forged Bills of Lading

Liverpool, April 25.—There was a sensation on cotton openings Saturday, born of the widely circulated statements that forged bills of lading for cotton purporting to have been shipped from the United States had been uncovered. The alleged fraud was said to involve cotton valued at \$2,500,000 and in addition to three Liverpool firms, it was stated, that several continental houses were heavy losers.

Will Move Cemeteries

In Order to get at Ore Deposits Beneath the Graves.

Negaunee, Mich., April 25.—Lakes have been drained and towns been removed to a new location in order that ore deposits in the Lake Superior region might be mined. Now an interesting event in the above category is about to be recorded at Negaunee, Marquette range, it is the removal of the Protestant and Roman Catholic cemeteries to a new site, together with many hundreds of human bodies there. It is said a large body of ore lies beneath a portion of the present burial ground and the deposit is to be mined.

HOOKWORM MOVES NORTH

Dread Disease Getting Near the Capital of United States.

Washington, April 25.—Government employees are much perturbed over the reports which indicate that the hook worm disease, the dread foe of all work is approaching the national capital. In Virginia only a short distance south of Washington it was found in one school that 37 out of 200 pupils harbor hookworms, while the two children who did not have them had moved to the country from Washington only last fall.

Peculiar Drowning Accident.

MARK TWAIN'S FUNERAL

A Few Relatives Stood in Boating Rain During Simple Service.

Elmira, N.Y., April 25.—Under a tent on the grassy slope of Laundon plot in Woodlawn cemetery, with the rain beating fiercely against the canvas cover, a little group of mourners silently watched the body of Samuel L. Clemens lowered into the evergreen-lined grave beside the bodies of his wife and children. Rev. Samuel R. Eastman, pastor of Park Church and a close friend of the late humorist, conducted a brief and simple service and Mark Twain's final pilgrimage was at an end.

WILL ROOSEVELT BE RE-ELECTED

Prophecy Made by Well-Known Cartoonist and Writer who Accompanied Him Through Africa.

Honolulu, April 25.—J. T. McCutcheon, the Chicago cartoonist and writer who was for some time with Theodore Roosevelt in Africa, is returning on the steamer Asia, which arrived here today. McCutcheon predicts that Col. Roosevelt will again become President. He stated that whenever the matter was mentioned in the hunting camps, the Colonel avoided all participation in the discussion of politics, but on one or two occasions remarked that he had other work outlined which would require him for many years to come.

Will Guarantee Bonds.

Port Arthur, April 25.—The mayor and clerk have signed a tentative agreement with the Canadian branch of the Ironclad Manufacturing Co. of New York, to establish their Canadian headquarters in Port Arthur. Steel barrels and all kinds of enamelware will be manufactured on a site at the north end of the city. The company agrees to employ 200 men for 250 days each year and the town will guarantee bonds for half the amount of their expenditure after \$300,000 has been invested.

DELEGATES ARRIVE FOR SYNOD MEETING

Presbyterian Synod Will Begin its Meetings To-Night in the First Presbyterian Church.

Over a hundred delegates from all over the province are arriving in the city today to attend the meetings of the Presbyterian Synod, which commences this evening, and the conference of the Home Missionary Society of the women of the province, which is in session tomorrow and Wednesday. About sixty of the delegates are to the Synod, and fifty to the ladies' conference. The work of billeting this large number of delegates has now been successfully completed, nearly all of them being placed with private homes.

The first meeting of the Synod will be held this evening in the First Presbyterian Church, at the corner of Third and Jasper, when an address on "The Business Principles of Today Tested by the Teachings of Jesus," will be delivered by Rev. W. B. Reed, the superintendent of home missions. On Tuesday evening the chief topic of discussion will be the question of establishing a divinity school in connection with the University of Alberta.

Gordon After Aylesworth.

Winnipeg, April 25.—Speaking in St. Stephen's Church, Rev. C. W. Gordon (Ralph Connor) spoke scathingly of the release of two prisoners convicted in Toronto of selling indecent literature, from jail. Later addressing the Men's Brotherhood of the church, Dr. Gordon against protested emphatically against the clemency exercised by the minister of justice.

ALL RECORDS ARE BEATEN

Nebraska Alone Lost 1,500 Farmers in Three Months.

ARE BRINGING MORE MONEY

Immigrants From the one State Brought Property Valued at a Million Dollars.

Omaha, Neb., April 25.—One million dollars in property value and 1500 people is the quota furnished by the Omaha district to the tremendous sum of money and the army of farmers which have this year left the United States and gone into Canada. These figures are for the months of January, February and March alone, and represent only those emigrants who have reported at the Canadian Government Land Office in Omaha. Additionally thereto, are many who simply "pulled up stakes" and crossed the border without saying anything to Col. W. V. Bennett, who has charge of the Canadian government land office in the Omaha district.

Last year it was predicted in the middle west that the great Canadian movement was declining and predictions were freely expressed that the tide had turned and that many of those who had gone in to Canada would return to their old homes in the trans-Mississippi country.

Rush is increasing. But these expectations failed fulfillment and instead of the rush to Canada subsiding, Iowa and Nebraska farmers seem more crazy than ever to get across the border.

In the first three months of 1910, almost twice as many emigrants went out through the Omaha gateway, as passed through here during the same period last year. And the property value is nearly three-times greater this year than for the first three months of 1909. And not only does the aggregate of the transfers for the three months of 1910 exceed the aggregate of 1909, each particular month of the present year shows heavy gains over the corresponding months of last year.

Comparative Figures. The following table shows the number of people leaving through Omaha, in the three months of 1910, compared with the same time in 1909:

| | 1910 | 1909 |
|----------|------|------|
| January | 161 | 88 |
| February | 591 | 290 |
| March | 754 | 430 |
| Total | 1504 | 808 |

The number of cars of stock, household goods, farming utensils, etc., for the same period compares as follows:

| | 1910 | 1909 |
|----------|------|------|
| January | 10 | 13 |
| February | 99 | 43 |
| March | 108 | 71 |

Total \$1,002,070 \$371,160

A comparison of these figures on the wealth of the emigrants of 1910 and 1909 shows the former to be in very much better financial condition than were those emigrants of 1909, when the latter crossed the international boundary into Canada. The emigrants of 1909 averaged \$50 per capita, while those of 1910 averaged \$200 per head.

Judgment was Reserved in H. A. Robson's Application.

IN WHOM DOES POWER REST?

Robson Contended That Commission Could Compel Answers Only if Empowered by Dominion.

Winnipeg, April 25.—Mr. Justice MacDonald reserved judgment on H. A. Robson's application for an order rescinding the previous order of the court compelling witnesses to attend to give evidence before the Royal Commission.

The present situation, therefore, is that the order for the witness to appear before the commission is still in force, if they fail to turn up or if having put in an appearance they refuse to answer questions or to produce the documents asked for, it will then be up to the commission and the commissioners will have to decide for themselves what they are going to do about it. As Mr. Robson has intimated his intention to appeal in the event of the decision going against his clients, there is every prospect of a

long legal fight before some of the witnesses are persuaded to answer any questions which they may not want to answer.

The point which Judge MacDonald is called upon to adjudicate is, one which involves the interpretation of the British North America Act in so far as it relates to the respective jurisdictions of the provinces and the Dominion. It was contended by Mr. Robson and J. B. Coyne who appeared with him, that the province of Manitoba cannot give power to a commission from Alberta or any other province to examine witnesses under oath in Manitoba; that such power can be given if at all only by the Dominion and that as a matter of fact the Dominion has not seen fit to do so; that the act of the legislature of Manitoba purporting to allow such proceedings is ultra vires; and that therefore the court erred in the first instance in issuing the order compelling the attendance of witnesses and should now rescind it.

On the other hand it was contended by Mr. Pitblado, representing the counsel for the Alberta commission, that the commission had the full powers of a properly constituted court, that it had made the request in the regular way for an order allowing it to examine witnesses in Manitoba and that such order had been granted. Therefore the only thing to do was to go ahead and examine the witnesses. If the witnesses failed to appear when called upon, let them take the consequences.

There was considerable skirmishing

between counsel at the opening of the hearing Saturday. Mr. Pitblado showed a desire to know just who Mr. Robson represented, but on this point he did not succeed in getting very much satisfaction.

Harvester Company's Earnings.

Chicago, April 25.—Gross sales of the International Harvester Company for the fiscal year ended Dec. 31, 1909, were \$8,614,439, being the largest in the history of the corporation. This business compares with \$7,241,771 the previous year. The increase was \$1,372,668, or 19 per cent.

The net profits for the year just ended were also the largest in the company's history, being \$1,892,740, against \$888,083 the previous year, an increase of \$1,004,657, or 67.7 per cent. The earnings for last year were equal to the full 7 per cent. on the \$60,000,000 preferred stock and 17.2 per cent on the old common stock, amounting to \$600,000.

Railway Commission in West.

Ottawa, April 25.—The Board of Railway Commissioners has decided to hold a meeting in Winnipeg on May 12th, when consideration will be given to the new press rate schedules recently filed by the telegraph companies. The board will also consider the complaint of the Winnipeg Grain Exchange as to telegraph tolls.

About Town

Messrs. Kirkpatrick and Pate have moved into their new offices at the Garpey Block, 116 McDougall Ave., where they are carrying on their real estate business.

The International Stock Food Co. of Toronto have offered a prize of \$30 to the Edmonton Exhibition Association to be used in the class for brood mares with foals.

The wife of Mr. A. Bouley died in the Isolation Hospital last night. Mrs. Bouley was suffering from scarlet fever. Funeral this afternoon to the Edmonton cemetery.

The Edmonton lacrosse club will have a practice this evening on the new grounds, McDougall avenue, at 8:30 o'clock. A full turn-out of the players is requested.

The "Calendons" "H" team and the "Hibernians" will play a football game on the Second street grounds tomorrow night. After the game the Hibernians will hold a business meeting.

The annual meeting of W.M.S. of McDougall Methodist Church will be held at the home of Mrs. Pickering, 302 Sixth street, Tuesday afternoon at three o'clock. Reports will be received and election of officers for the new year.

Evans and Ferris, real estate and insurance brokers, have moved up their fine new offices in the Empire Block, Room 12. A large staff is in attendance, and it is a pleasure to do business with such an up-to-date concern.

An interesting real estate announcement is that of the placing on the market of the Eastwood Addition. This is one of the closest in sections yet placed on the market. It adjoins the city park and Exhibition grounds and is on the ear line to the parking plant. It is exempt from municipal taxes, except school tax until 1911. Miller and Gilbert and Lane and Search are handling the properties.

St. Claire Watts and Thomas C. Tracey were each fined \$10 and costs in the police court this morning for driving their autos at an "excessive speed."

Mr. Gavin Spence personally guarantees all piano and organ tuning and repairing done by Mr. William G. Strachan to be second to none. Address 257 Sixth St., Phone 1267.

The commissioners this morning received a notice from the Railway Commission that permission had been granted the city to lay the street car tracks across the A. Y. and P. at Edwards street.

E. J. Chamberlain, general manager of the Grand Trunk Pacific railway, arrived in the city on Saturday night by special train from Winnipeg. He will have several other officers of the company will leave the city tonight on a general tour of inspection of the line west of the city. Mr. Chamberlain is well satisfied with the progress that is being made in the construction of the line from Wolf Creek to the Prairie Creek, and is quite confident that the line will reach the Athabasca before winter sets in, in spite of the difficulties that are being met with in securing the necessary labor.

Gavin Spence in the City.

This renowned Scottish entertainer has arrived here to spend some time introducing Mr. William G. Strachan to our citizens in his profession of expert piano tuner.

The young man has had the benefit of his father's 35 years' experience in the same line, as well as a thorough practical factory training with the firm of Thomas G. Payne of London, England, where he held the position of finishing tuner for the factory. This is the same gentleman that was picked to tune Premier Asquith's piano, who, while no better than any Canadian is considered a lion in Britain, and it is evidence of the firm's appreciation of the young man's ability that they sent him to tune a leading politician's instrument.

It is only necessary to add that Mr. Spence personally guarantees all piano and organ tuning and repairing entrusted to Mr. Strachan to be done in a manner that is not only second to none, but will quickly establish him in our midst as a most reliable man. See advertisement for address.

St. George's Day Greetings.

In addition to others received and announced at the banquet in the wee sma' hours of Saturday morning the following telegrams have been received by President A.W. Challand:

"St. George's Society of Ottawa send heartiest greetings."—E. S. Latham, president.

"Fraternal greetings, St. George and Merrie England."—Alfred Griffin, secretary, Montreal.

"Heartiest greetings on St. George's Day. God Save the King!"—R. S. Hildon, president, Toronto St. George's Society.

"Greetings heartily reciprocated." Per Canoe, London, Ont.

A general meeting will be held tonight at eight o'clock in the Oldfield Hall, Jasper Ave., followed by a concert at 9:30 to which English and Welsh visitors to the city are cordially invited.

We announce our readiness to serve our patrons with the newest in Spring Suits and Hats. Mac's Clothing Store.

The members of the Royal Commission left for Winnipeg yesterday afternoon.

George R. Timming, formerly of the Union Bank, Macleod, and latterly of Saskatoon, has been appointed manager at Lethbridge.

S. B. Woods, K.C., left on Saturday night for the East. He will on May 14th in England, where he will represent the province in the C.P.R. treaty case.

C. F. Postland, who has been appointed to the management of the branch of the Quebec Bank being established in Winnipeg, was acting manager of the Union Bank, Edmonton, during the summer of 1907.

Fatal Joy-Ride on Engine.

Oil City, Pa., April 25.—In the wreck of a locomotive found at the foot of a steep embankment on the Baltimore & Ohio narrow gauge line between Shipleyville and Clarion, the bodies of four men were found. They were those of Engineer Kelly and three friends. The wreck occurred during the night at a time when no trains were moving, and it is believed that the party was having a joy ride in the engine cab.

Workman Committed Suicide.

Winnipeg, April 25.—Chas. A. Moore, foreman of a gang of wood cutters working at Nelson all winter committed suicide in Elmwood yesterday by cutting his throat with a razor. He was about fifty years of age.

Bad Fire in Cincinnati.

Cincinnati, Ohio, April 25.—Three persons lost their lives, two firemen were hurt and a number of guests had narrow escapes from death in a fire that gutted the Thomas Hotel, 537-9 Walnut street at midnight Saturday night.

A Successful Concert.

The James Fax Concert Company gave two delightful entertainments at the Empire Theatre on Saturday. Jimmy Fax himself was in one of his best moods, and kept the large audiences in a continual roar of laughter during the whole time that he was on the stage. His work in a sketch entitled "The Philosopher" was particularly good, and secured him two recalls. Hartwell DeMille has a baritone voice that is above the ordinary, and his numbers on the programme were well received. Miss Ida George Elliott, soprano, and Miss Florence Galbraith, alto, were both good, and Miss Agnes B. Quigley, the accompanist, is one of the best pianists that has been heard at the Empire during the past winter.

May Not Come to Canada.

Ottawa, April 25.—Emigration to Canada is not looked upon with favor by all continental countries. In Hungary, according to the Dominion immigration officials, an order has for some months been in existence which prohibits in future emigration to Canada.

The reason given for this order is that Canada attracts agricultural laborers and small farmers, classes whom it is especially desired to keep in Hungary, and further that such persons when once in the Dominion find the attractions so great that they rarely return to their motherland but tempt others to follow them.

Farmer Marries Fifth Wife.

Marshall, Mich., April 25.—Joseph Sturgis, a wealthy farmer, has been divorced from wife number four, who he married last June. He married wife number five, Mrs. Flora Terwilliger, aged 30, the same day. Sturgis first wife died. The other four were secured through a matrimonial agency.

THE DAY IN STRATHCONA

Budget of News from the City on the South Bank of the River

Miss R. Abram left this morning for Leduc after spending Sunday with her parents here.

The Women's Missionary Society will hold its meeting for the election of officers at the home of Mrs. Dale on Tuesday at 4 p.m.

Mr. Geo. H. Vibbert delivered a temperance address in the Methodist church at the close of the evening service. A male quartette furnished special music.

Miss Sara Brickman, who has been engaged with the firm of Rutherford, Jamieson and Mode, leaves today for Wexaskiwin, where she has accepted a position in the office of Mr. McNamara.

Mr. R. J. Garrett of Wexaskiwin school staff was in the city Saturday. Mr. Garrett was a classmate of Mr. Geo. W. Robertson and of D. A. McKerricher, who is now inspector at Lethbridge.

Prompted by Evil Spirit.

Brookville, April 25.—Albert Holmes, who murdered his cousin, Nathan Bolton on Thursday, was caught in the woods Saturday night and lodged in the county jail. He confessed to the crime yesterday and says he was prompted to commit the murder by an evil spirit.

Storms at Prince Rupert.

Vancouver, April 25.—Bringing word of bad storms at Prince Rupert and Stewart in which buildings were blown down, the Union Steamship Company's steamer Camosun is in port this week. The gale occurred on Thursday and rain and snow were accompanied with high wind storms. At Prince Rupert three buildings were demolished and at Stewart buildings in the course of erection and owned by R. Barr and E. A. Roli were blown flat, tents whirled away and other damage done. Considerable damage was done to other property and the blow was one of the worst this winter.

Comet Causes Suicides.

Wheeling, W. Va., April 25.—Four of the eleven suicides in the Wheeling district last week have been traced to fear of Halley's comet striking the earth.

Mrs. Samuel Hutchinson was found suspended from a cellar rafter and a note told of her fear of the comet.

Mrs. Anna Springfield left a note saying she would go before the comet arrived and drank a vial of carbolic acid, saying "No comet for mine."

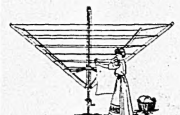

William Flannigan jumped in front of an express train and was ground to pieces.
